

SOLID CABINET DOOR

CTC3-30-06-B

Product Features

Finish

- Black textured powder paint finish

Structure

- Fabricated of 16 GA (0.060") steel
- Welded corners for added rigidity
- Comes standard with flush-mounted locking handle, other options available
- Reversible right and left-hand swing with replacement hinges (Hinge, ML06)
- Recessed doors mount flush with frame

Note: Unless otherwise specified, all doors ship from factory left-hand swing. Consult CableTalk for details/instructions to reverse.

Options

- Security options include:
 - Standard locking ush-mounted handles
 - Push Button Locks
 - 3-pt and 4-pt locking doors for NEMA applications
 - Dial Combination / key lock
 - Electronic Access Control Locks
- Barn door style available for applications that require a lower profile in the aisle

Note: All of our cabinets are fully customizable. If desired options are not listed, speak with your CableTalk representative.
